

CLPOA VP Membership Report to Members - 2023

We are so pleased to report that 19 new members have joined the CLPOA since the beginning of 2023. A very warm welcome to all. The total paid membership for 2023 was 680. As of late February, 567 of those members have renewed their membership for 2024. Thank you!

A special thank you to local realtor, Clark Breuls, for his longstanding support of the CLPOA. For years, Clark has generously been paying the first year of CLPOA membership for his clients who buy cottages on Chandos Lake. We are so pleased that realtor Tania Rightmyer has followed Clark's example and is now doing the same for her clients.

Your membership dues support the excellent work of the CLPOA - the installation of 110 lake markers, financial support for many social events and, most importantly, the protection of the health and welfare of our lake.

With 1200 cottages on the lake and only 680 of them being members, the potential to increase our membership is huge. Having more members would put the association in a better financial position so we ask all existing members to reach out to their cottage friends and neighbours who are non-members and encourage them to join the CLPOA!
